

Annual Fire Alarm Inspection Notice

Your Building is scheduled for its Annual Life Fire Safety inspection

Be Home during inspection

During this time you will hear bells or alarms. Please **DO NOT** call the Fire Department unless an actual fire is witnessed. For your safety please make arrangements so our technicians will be able to access your suite during testing process.

Give access to Neighbor or Board Member

If you can be home during the in-suite inspections this will ensure we have access to your suite. If you cannot be present during the time of the inspection, please arrange access to your suite with a neighbour or condo board member.

Nov 21/18 - Nov 22/18

In-suite & common areas

Wednesday 8:30 AM till 4:30 PM Thursday 8:30 AM till 4:30

-During this time you may hear bells, alarms and other noises

-If you have any questions please contact your condo board members.
